NOTED CRIMINAL STOPS IN REDWOOD FOR FEW DAYS

A noted criminal named J. While here he was confined to his room suffering with an affected arm and was treated by Doctor J. L. Ross.

Stevens was wanted at Salinas and Watsonville for defrauding bankers there out of some \$40,000 secured by forged automobile contracts.

The soil is adapted for this crop, being rich and well moistened. There are 500 acres ready for cultivation. The parties are also looking at adjoining lands and intend to put in a big acreage. K. OF P. HOLD BIG MEETING AT PALO ALTO

Under the auspices of the Past Chancellors and Chancellors Commanders' Association of the Peninsula of which Past Chancellor of Sunnyvale Lodge, G. H. Busby was captain for the occasion, the Knights of Pythias enjoyed one of the greatest revivals of the tenets of Pythianism that has been witnessed in this section for many moons. And those who were eligible and failed to attend this wonderful feast missed one of the rare treats of a lifetime.

Under the leadership of Past-Chancellor Busby the degree team was made up from among the Chancellor and past-chancellor commanders of every lodge on the peninsula, and west and east active warriors in their respective Pythian castles. The officers were listed as follows: Chancellor Commander Jno. E. Cowgill, of Redwood Lodge, San Mateo; vice-chancellor E. L. Belloli, San Jose; Master of the Order, W. W. Donaldson, Palo Alto; prelate B. W. Wilson, Los Gatos; keeper of records and seal W. F. Stewart, Palo Alto; master at arms C. D. Thomas, Palo Alto. These officers were ably supported by Past Chancellors Haines, Crawford and Wallace of San Jose and Loupe and Wattergater of Palo Alto. The entire team were warmly congratulated upon their excellent work and the dignified and impressive manner in which they conferred the esquire rank upon the receptive and attentive initiates.

There were many veteran Knights present at this happy gathering but Mr. Kopp of Woodside, a charter member of Redwood Lodge, No. 82, of San Mateo out-ranked them all. Mr. Kopp is one among very few of the charter members of Redwood Lodge who are still living, the others being Messrs. W. W. Donaldson, Court and Werder of Redwood City and Fremont Older of San Francisco.

With the assistance of the ladies of the Pythian Temple of Palo Alto, if it were possible, the entertainment committee of the Palo Alto excelled their former reputation as hostess to the 130 hungry visiting brothers who sat at the banquet board, and who were so well looked after by the Pythian sisters.

QUAIL SEASON OPENS MONDAY

"It is an ill wind that blows nobody good" is a saying as old as the hills, but it is nevertheless true. The recent rains have scattered the ducks on the bay to the overflowed lands and the boys, who at the same time the precipitation which will benefit the farmer will make excellent quail shooting for the devotees of the scattergun.

Monday ushers in the quail and rabbit season and the boys, who are reported plentiful all over the county, Clarence Cayhall, who is recognized as one of the crack shots of La Honda, goes south into Monterey county. Hen Beeger, Hall Ross and young Mr. Barneen hunt on the San Gregorio. The Genocchio boys, George, Louis and Jack go to the Purissima. George Elkerenkotter and his son, Seymour, both excellent shots, will hunt on the Lougley ranch near Caswell. Will Casey and a party of friends will shoot on the Coal Mine ridge country, while Henry Edell Bullivant and Claude Fox will hunt on a private place back of Halfmoon Bay.

While the law regarding the killing of rabbits is entirely wrong the quail are protected to such an extent that the devotees of the shotgun will have excellent sport no matter what part of our county is visited.

FOURTH RED CROSS ROLL CALL IS IN PROGRESS NOW

The Red Cross Roll Call opened here last Sunday and the captains and their lieutenants are busy this week renewing membership and securing new members in the organization of the "Greatest Mother on Earth." Redwood City Chapter's quota this year is 1500, and it is the ambition of the local committee to roll up this membership and more. Reports coming in from the various captains indicate that the ambition will be realized. The American Red Cross goes before the people for their support of a program that grows more familiar and more beloved as each year advances. The American people are familiar with what the Red Cross organization did during the war in the apogee of its emergency and they know what the pledge of the "Greatest Mother" are in looking after the interests and welfare of all the country's citizens—her army and navy, her ex-service men and her civilian population, men, women and children.

U. S. GOVERNMENT TEST OF AUTO MOTIVE SERVICE FROM NEW YORK TO S. F.

At the show room of H. Rupp on Broadway, where the agency of the Hudson-Essex machines is located, there is on exhibition the Essex automobile, selected by the government for the trial. By actual facts under the supervision of government officials the car came through from New York to San Francisco in four days, 14 hours and 43 minutes, a distance of 3347 miles, with 400 pounds of registered mail.

This record broke previous attempts, for speed across the continent, the only exception being the trial by aeroplane (recently witnessed) by seven hours later, than mail by train practically with same mileage.

The Essex car is in condition right now, for a return trip via the same route, while the respective drivers, were in relay every 400 miles. The Essex kept up its splendid performance, never showing any difficulty throughout. It was not all smooth sailing either when going through some of the passes along the Rockies. Great cloud-bursts and drifts were encountered, the Essex showed its grand constructive mechanisms by going right along—not one in twelve machines would have held the road under the same circumstances—time and speed combined—average speed was 50 miles per hour, with a minimum consuming of fuel. After inspection of the machine upon its arrival, not a single flaw was to be found. May the reader draw his own conclusion, when in the market to buy a first-class automobile, and not very high priced at that.

A CALL TO DUTY

The Republicans of the county will be guilty of self-delusion from which they will later suffer if they look upon the result of the recent election as a party victory. It is a party victory only in the sense that Republicans will be restored to control of both the legislative and the executive branches of the government, but an analysis of public sentiment as manifested in political discussion leads to the conviction that the course pursued by the voters in marking their ballots was determined by their dissatisfaction with the Democratic party and its administration of the affairs of the government, rather than by implicit confidence in the Republican organization. More than ever before in its history the Republican party is now on trial before the country.

The situation which confronts the United States is a critical one. By many it is believed to be one of the most critical in our history. However that may be, none will gainsay the assertion that the problems which confront the country are not only most difficult but most pressing.

For eight years we have had an administration of watchful waiting, of surrender to foreign rivals, of internationalism rather than Americanism of personal government rather than government by law, of extravagance and inefficiency rather than economy and high standards of public service.

We are assured by the successful Republican nominee that they propose a return to the government of the constitution, a representative government with each of the three co-ordinate branches exercising its own functions in co-operation with but not subjection to the others. We are assured that there will be conference by the head of the administrative branch of the government not only with members of congress but with citizens everywhere who are in a position to render valuable advice and assistance. The problems of the day are, therefore, for solution by the president and by congress alone, but all citizens are invited to perform their duty as such by making such suggestions as they can to aid in that reconstruction process through which the government will encourage individual initiative, build up a permanent industrial prosperity on a solid basis, and assure the perpetuity of government of, by and for the people.

From beginning to end of the campaign, senator Harding manifested his full appreciation of the seriousness of the task he could assume if elected to the presidency. The rank and file of the Republican party should emulate his example and in the hour of victory should not permit their rejoicing over partisan success to blind them to the fact that the election is a call to duty and responsibility rather than a bestowal of the rewards of political victory.

COUNTY BOARD IN REGULAR SESSION

The board of supervisors met in regular session Monday, November 8th.

Attorney Jos. B. Gordon of San Mateo, appeared before the board in the interest of a large number of persons of the coastside of the county and in the matter of the Ocean Shore Railroad. Attorney Gordon stated that since the State Railroad Commission had given the company permission to discontinue its service, the road was being rapidly dismantled and was rapidly disappearing. The people of the coastside, he stated, were anxious to stop this dismantling and to provide some plans whereby the road could be taken over by the people or by some other corporation. A meeting of the shareholders of the company was to be held on Tuesday, Attorney Gordon explained, when the proposition of disposing of the rails to a Mexican concern would come up. It was necessary that action be taken before this meeting if the road is to be left in its present condition.

He asked the supervisors to adopt a resolution which he presented and read, calling for the filing of a petition with the State Railroad Commission under the provisions of Section 47, Public Utilities Act of California, setting forth the intention of the County of San Mateo to initiate such proceedings as may be required under the law governing said county or a public utility district therein, for the purpose of submitting to the voters thereof a proposition to acquire under eminent domain proceedings, by purchase, or otherwise, the lands, right-of-way, tracks, buildings and appurtenances of the Ocean Shore Railroad Company. The petition further requests the Railroad Commission to order the Ocean Shore Company to desist from further dismantling or removing its tracks and appurtenances until the value thereof shall have been determined by the Commission.

District Attorney Swart when asked for an opinion in the matter, stated that he could see no harm in the board adopting the resolution, the only question being whether the county would be called upon to further the expense connected with the securing of the necessary data for the hearing of the matter, which he thought would be small, inasmuch as the engineers of the railroad company have already this data, or a large part of it.

Attorney Gordon stated that he believed that arrangements could be made whereby any expense connected with the hearing would be borne by the people of the coastside who were interested in the continuance of the road.

The above resolution was thereupon adopted by the board, on motion of Thompson, seconded by Hickey.

Ordinance No. 314, presented by District Attorney Swart and amending Ordinance No. 313, which provides for the inspection of slaughter-

ed meats and dairy products in the County of San Mateo, was adopted on motion of Mrs. Brown, seconded by Hickey. The amended ordinance prescribes additional duties for the county veterinarian and fixes certain fees for inspections required by said ordinance.

County Treasurer P. P. Chamberlain submitted his report showing the amount of money on hand in the treasury October 31, 1920.

A petition was received from Mrs. Henrietta Brown owner of the Brown Kennels at Redwood City asking for a permit to establish her kennels on what is known as the Aviation field at San Carlos and keep not more than 40 young dogs, or more than 100 animals in all, including young and old.

The hearing in the matter was set for Monday, November 15, 1920, at 10 a. m.

District Attorney Swart presented a check in the sum of \$9.90, which he had received from the United States District Court, as a balance due on deposit in the case of the National Security Company against the County of San Mateo. The money was turned over to the county treasurer.

A communication was received from B. E. Myers of Redwood City, secretary of the San Mateo County Teachers' Association, calling attention to the following facts concerning the salary of the county superintendent of schools:

(a) That the county superintendent is the head of the schools of our county.

(b) That he receives less salary than the principals and supervising principals who work under his authority.

(c) That he receives less salary than many class room teachers.

(d) That he receives less salary than many county officials whose work cannot compare in importance to the direction of the education of our boys and girls.

On motion of Hickey, seconded by Thompson, the communication was ordered filed, and Mrs. Nash, the clerk, was directed to write the Teachers' Association and inform them that the supervisors have no jurisdiction over the salary of the county superintendent of schools but that it lays in the hands of the State Legislature.

A communication was received from Attorney George C. Ross, complaining about the number of hours the men work, who are employed on State highway construction between San Carlos and Redwood City. He said he noticed on several occasions the men going to their labors after 8 o'clock in the morning and quitting before 5 o'clock. Attorney Ross also complained about the condition of Stafford street in the Town of Redwood City, now being used entirely as the main artery into the town from the north since the closing of the State highway between Belmont and San Carlos.

The communication was filed.

Supervisor Hickey addressed the board in the matter of an ordinance passed by the supervisors a number of years ago, restricting the building of smelters in the county. The representative from the First township stated that the existence of this ordinance, which he does not believe answers any good purpose now, is working against the best interests of San Mateo county. It is being used, he claimed, as propaganda to keep industries from locating in the county particularly in South San Francisco and Redwood City, and going to the east side of the bay.

The board decided to look into the matter further at the next meeting. On motion of Hickey, seconded by Mrs. Brown, the Bear Gulch Water Company was given permission by the board to lay water mains on Isabel avenue in Menlo Park.

Tuesday Session.

The board reconvened on Tuesday, November 9, 1920, at 10 a. m., there being present John MacBain, president; T. L. Hickey, Mrs. Rosalie M. Brown and Dr. C. V. Thompson.

A communication was received from Clarence R. Walter of Atherton, enclosing check in the sum of \$32.50, covering the salary of George Murray special traffic officer on Sundays, at the corner of State highway and Atherton avenue in the Third township. Murray was appointed to the above position by the supervisors some time ago, with the understanding that the residents of Atherton would pay for his services.

On motion of Thompson, seconded by Hickey the check was ordered turned over to County Treasurer P. P. Chamberlain and that official was directed to draw a county warrant in favor of Murray for the \$32.50.

A claim of James G. Mason in the sum of \$15 and being for automobile hire in bringing a witness from Mendocino to Healdsburg in connection with the case of the People against Simmons, was allowed by the board.

The board continued the canvass of the returns of the general election, adjourning at 12 for the noon recess and reconvening at 1:30 p. m. At 5 o'clock adjournment was taken until Wednesday at 10 a. m.

Wednesday Session

The board reconvened Wednesday, November 10, 1920, at 10 a. m., all the members being present and Chairman John MacBain presiding. The canvass of the returns was continued and completed and at 5 o'clock p. m. the board adjourned to meet again Monday, December 6, 1920, at 10 a. m.

MENLO PARK NEWS OF ALL SORTS

Mrs. McCullough of San Francisco, visited friends in Menlo Park during the week. Mrs. McCullough is always a welcome visitor here where she has many friends.

The Caldwellers of Atherton, who recently purchased the Growall place, have left for the east for a few

months.

The Oak Grove Villa will open on November 15 under the management of Joseph Nash. Twenty-five Stanford students have taken apartments at the well-known hostelry.

Menlo Parlor, N. S. G. W., initiated four new members on Thursday evening last, among them being John Orton and James Murray. The first grand vice-president, Harry Williams of Oakland, was present and delivered a striking address. A banquet followed the initiatory ceremony.

Senator Shortridge may be proud of the vote given him by his own precinct, Atherton, receiving a vote of 80 to Phelan's 40. This shows what his neighbors think of him.

Mrs. Emma Midgley gave a delightful Halloween party to a large number of children last Saturday evening. Games ever dear to the childish heart were played and delightful refreshments served. It was an enjoyable evening. On leaving all the little ones thanked the hostess for

her consideration of them.

The many friends of Judge Daniel C. Deasy are pleased to know that he has been re-elected to the superior bench of San Francisco by a handsome majority. The judge and his charming family resided at Atherton for two years prior to the election. They made many friends while here.

The splendid victory accorded Samuel M. Shortridge by the people of the State of California is gratifying to his neighbors in Menlo Park who admire his great ability and who love him as a neighbor. Mr. Shortridge arrived home from the strenuous campaign on Wednesday to remain for a few days' rest and recreation. He came here on election day to cast his ballot at the Atherton precinct which gave him a two-to-one vote, and left that evening for San Francisco to learn the result of the great contest. The ambition of his life, to be senator, has been gratified and his friends predict that he soon will become a national figure at Washington where his wonderful eloquence will command recognition. Every one in Menlo Park is happy in the thought that their fellow townsman won the great victory.

By the election of Samuel M. Shortridge to the United States Senate Menlo Park has a record of four U. S. Senators who have hailed from this place. They are Milton S. Latham, Leland Stanford and Charles N. Felton, all deceased and the new Senator Samuel M. Shortridge. The others were millionaires but Mr. Shortridge has no wealth. California will now be represented in the upper house of congress by two comparatively poor men. That is the way it should be.

Mr. and Mrs. P. P. Eyre have closed their pretty home at Atherton and have taken a house at 2293 Broadway, San Francisco.

John Roberts of St. Patrick's Seminary proved himself a most efficient clerk at precinct No. 8 where the seminarians vote. He is an expert at tallying votes.

Miss Katherine Smith, daughter of Mr. and Mrs. Henry Smith, was given a miscellaneous shower at the home of Mrs. George Walsh Wednesday evening. The prospective bride was the recipient of numerous wedding gifts that were useful and valuable. She is soon to wed Duncan Reynard of this place who is in charge of the San Mateo branch office for the Pacific Gas and Electric Co.

**DONALD W. WILLIAMS HOME
SOLD TO CHICAGO PARTY**

The beautiful two-story house on Arlington road, Wellesley Park, owned by Donald W. Williams, was sold yesterday by the real estate firm of Lambert and Walter, to a Chicago man who was recently appointed the San Francisco representative of an eastern manufacturing firm. This easterner looked at all the desirable places about the bay and owing to Redwood City's superb climate decided to locate here. Something like \$15,000 was paid for the property.

SOUTH SAN FRANCISCO WILL CELEBRATE ARMISTICE DAY

Armistice Day will be appropriately celebrated in South San Francisco next Thursday. At that time the new city hall will be dedicated. All the county officials and prominent residents of the peninsula are to be present. Arthur M. Free, the congressman elect, will be the orator of the day. Barbeques, amusements of all kinds will be furnished by the townspeople. Let everyone go and help.
